Why Learn English?

Speaking, reading and writing English comfortably opens many doors to success in the United States and other English-speaking countries. In fact, people who are fluent in both English and another language make much more money than people who aren't comfortable using English. Children also do much better in school when their parents help them with their homework in English. For both you and your children's success, it is very important to improve your English language skills.

Learning English will:

- Help you find a job
- Help you to earn more money
- Give you confidence in the English community
- Establish the foundation to earn a college degree or certificate
- Give you a more comfortable life
- Help your children succeed in school
- Make you a better role model
