* For privacy reasons, no data is shown where there are fewer than 10 program completers. An asterisk appears instead.

Normal time is based on 12 units completed each fall and spring term. Students who take more units or who attend in summer terms may be able to complete the program is less time.

Due to overlapping requirements, students may be able to complete the requirements for multiple certificates (in the same area) for the cost and within the normal time indicated for one.
