

DIGITAL MANAGEMENT CAREER PREPARATION

Academy for College Excellence

Not sure of what to study? Want to learn how to succeed in college and in life? Academy for College Excellence (ACE) is an exciting and fun program that helps students develop their professional, academic, and personal skills so that they can be effective in every aspect of their lives. In the program, students take a cluster of classes that are focused on a special theme, a theme that you care about! Students build relationships with the faculty and get support from the other students both in and out of the classroom. This program can set you on your path to achieve your goals. It has worked for hundreds of students and can work for you!

Social Justice:

Find ways to help create equality and a just world by deeply exploring a problem in society that is important to you. Working in a team, students will be given the tools to conduct in-depth research that will help them find solutions to address the issues. Cohorts include:
