

Don't lose your BOG Fee Waiver for Fall 2018!

- Earn at least a 2.0 GPA in Spring 2018.
- Complete more than 50% of the units for which you are registered in Fall 2017.
- A new state policy was implemented in the Fall semester of 2016. Beginning Fall 2016, students lose their BOG fee waiver if they were on academic or progress probation for two consecutive semesters.
- Calculations for the Fall 2018 Semester will be determined at the end of the Spring 2018 semester based upon cumulative GPA and unit totals. Students will be notified of their status after the spring semester. There will be an appeal process in place if you lose your BOG eligibility.
- If you are placed on academic or progress probation, attend a Probation/Dismissal Workshop (offered through Counseling) to identify specific steps to increase the chances of keeping your BOG for Fall 2018.

Students currently on Probation 2 or Dismissal are required to attend this workshop.

Call either Counseling (831) 479-6274, or the Transfer Center (831) 479- 6385 to schedule a seat in the workshop. The calendar of upcoming workshops at Aptos and Watsonville are available on the Counseling webpage:
