

## **SUGGESTED COURSES FOR HIGH SCHOOL STUDENTS**

Many students jumpstart their college education by enrolling at Cabrillo College while they are still in high school. High school students may attend classes at Cabrillo on a limited basis. If you are a high school student and have permission from your high school to attend Cabrillo, you may register for classes at Cabrillo as a Dual Enrolled student. Each semester you must submit the online application for admission and the Dual Enrollment form. The Dual Enrollment form is available at your high school or by going to this link: [www.cabrillo.edu/services/outreach/concurrent.html](http://www.cabrillo.edu/services/outreach/concurrent.html).
