

# FREE Classes for Foundational Skills

FLEXIBLE • REPEATABLE • AFFORDABLE

*Most classes start ANY TIME between August 28 and November 18*

These **FREE** noncredit courses at Cabrillo give you new options to get started with the education you need to build skills. The focus is on building skills rather than earning grades or units and can take the stress out of learning! These classes can be taken as many times as you need to reach the skill level you want and earn a Certificate of Completion that may be helpful for your future educational goals, your job search or promotion. These flexible classes give you the option to start them *when you can* and attend them *when you can*.
