

## Standard II: Student Learning Programs and Services

---

### A. Instructional Programs

- Meet the mission and uphold its integrity
- Identify and assess SLOs for courses, programs, certificates and degrees, and we use the results for improvement
- Award degrees and certificates based on the achievement of SLOs
- Provide high-quality instruction

### B. Student Support Services

- At Cabrillo, we provide quality services in support of student learning
- We systematically assess student support services using SLOs
- Our Catalog is precise, accurate, and current
- We provide equitable access to all students regardless of location or delivery mode
- We research, identify, and provide support for student learning needs

### C. Library and Learning Support Services

- Library and learning support services are sufficient to facilitate educational offerings
- Faculty expertise is used in selecting and maintaining educational materials
- Cabrillo assures excellence in learning support services to meet student needs

<b>Recommendations</b>	IIA --Strengthen existing SLO processes for quality assurance IIB.1 -- Identify responsibilities and timeline for implementation of requirements of the Student Success Act, Title 5 and the California Education Code: orientation, assessment, education planning and enrollment priorities. IIB.2 -- Conduct analysis and develop a plan to improve counseling/transfer space to better serve students and support the faculty and staff
<b>Lead Responsible</b>	IIA -- SLO Coordinator IIB.1 – Vice President, Student Services IIB.2 – Dean C&ESS
<b>Completion</b>	IIA -- June 2014 IIB.1 -- June 2013 IIB.2 – June 2013
